As we approach the end of a beautiful summer, we want to remind you of the exciting events coming up!

Revitalize yourself with fresh mountain air and sunshine on an early morning hike, savor the flavors of a local farmers market, or listen to live music at the Blue Jay Jazz Festival and other events on the mountain. Don't forget to gaze at the stars and toast s'mores! Life is truly great on the mountain.

Make plans to join us and meet the brewers at Brewfest 2025, or experience the opulence of our 50th Annual Home Tour, which also kicks off Lake Arrowhead Village's prelude to Oktoberfest. Come see all that the SoCal Mountains have to offer!

Experience the magic!

JULY WINNER OF THE J. FRASER BABRICK MEMORIAL AWARD

To honor the 100th year Anniversary of the Lake Arrowhead Mountain Communities Chamber of Commerce, we have created a monthly award named after our founding President from 1925 -- J. Fraser Babrick, M.D. The award offers a chance to recognize business leaders in memoriam (who are no longer with us) and who left a lasting legacy in our business community.

We would like to acknowledge the nomination of Joan Moseley, recognizing her foundational contributions across the mountain community, particularly in the Running Springs area.

Ms. Moseley was the esteemed founder of the Alpenhorn Newspaper, which, after changing ownership over the years, is now known as The Alpine Mountaineer. Additionally, she established our Memorial and Veterans Day services at the Monument Site in Downtown Running Springs, traditions that are still observed today.

Please send in nominations for this month of August in-memoriam award ASAP. Send a 250 word or less statement along with a picture of your nominee (if available) to:
loributler@lakearrowheadchamber.com
